

This is the address stamp zone for **Canadian letters**.

It is located 1.375 inches from the left of the page, and 0.75 inches from the top of the page. It is 2.5 inches wide and 2.5 inches tall.

All content underneath this will be covered. See the *addressPlacement* parameter in the API to insert a blank page for the address if you do not want to modify your content.

Please note that there must be a **1/4 inch margin on all pages** (blue zone).
